What is Chalice Lighters?

Chalice Lighters is a program of the Pacific Southwest District created to help fund the growth of the member congregations of this District.

The Chalice Lighters Program is designed to provide grants to congregations for:

- Facility improvements, such as buying land, building, rebuilding, furnishing or enlarging facilities.
- One-time professional leadership expenses, such as the costs of hiring a Minister, Religious Educator or Music Director.

These are improvements that would significantly strengthen the scope of a congregation's ministry.

How Can I Help?

The funds for these grants come from UUs like you—Subscribers who pledge to pay \$20 or more, three times per year

Sign up to be a Chalice Lighter today!

Your \$20 could help a congregation hire its first minister, or build its own worship space, or renovate old, cramped, tired facilities—it might even help your own congregation!

Fill out the form to the right and send it to:

Who is Eligible for Grants?

PSWD congregations that meet these requirements:

- A member congregation of the Pacific Southwest District of the Unitarian Universalist Association
- A congregation that contributed its Fair Share to the UUA and to the PSWD for the previous two years, as published in their respective annual reports.
- A congregation in which 20% of the members are active Chalice Lighters. (An Active subscriber is one who has contributed to at least one call in the previous year)

Chalice Lighter Grant application forms are available online at www.pswduua.org, through the PSWD office at 805-485-1780, or through your congregation's Chalice Lighters Representative.
