

PSWD Chalice Lighters Grants

The Chalice Lighters program of the Pacific Southwest District exists to help fund the growth of its member congregations. The program is designed to make grants to applicant congregations for improvements that would significantly expand and strengthen a congregation's ministry, for example:

- Facility improvements, such as buying land, building, rebuilding, furnishing or enlarging facilities
- One-time development expenses, such as the cost of hiring a minister, religious educator, music director or other paid staff person to facilitate congregational growth.

Who Is Eligible to Receive a Chalice Lighters Grant?

Congregations that meet these requirements:

- A member congregation of the Pacific Southwest District of the Unitarian Universalist Association
- A congregation that contributed its Fair Share to the UUA and to the PSWD for the previous two years, as published in their respective annual reports.
- A congregation in which 15% of its members are active Chalice Lighters. (An Active subscriber is one who has contributed to at least one call in the previous year)
