

## PSWD SCHOLARSHIP POLICY

January 2008

The Pacific Southwest District strives to make its events affordable to participants. To that end, PSWD offers scholarships to children, youth, and adults who want to attend events and workshops.

In order to be eligible for a scholarship, the person must be a member of a local congregation.

In addition, preference is given to those who also receive scholarship funds from their congregation.

If you have received a scholarship in the past, we will take that into consideration if there are limited funds.

For Renaissance and Our Whole Lives trainings, we offer four \$50.00 scholarships per training event. For Renaissance modules preference is given to those for whom it is a first module.

For YoUUtH Camps, our basic scholarship amount is \$50.00. We will offer more if the funds are available, based on need.

Scholarships are available for cluster, district, regional, and continental events.

We do ask that people who would like scholarship assistance fill out and submit the PSWD Scholarship Form.
